

## Appendix 11 (continued)

### Yale School of Medicine Office of Student Research

## Short Term Funding Faculty Signature Page

**TO BE COMPLETED, SIGNED, and UPLOADED** with the OSR 2023-2024 Short Term Research Funding application in Medtrics by the relevant deadline.

Requests for extension must be made at least one week in advance of the relevant deadline listed in section B. Requests received after the application deadlines (as specified below) will not be considered.

Please note: Students may only apply for stipend support for periods engaged in full-time research, defined as 40 hours per week, during normal business hours.

<b>A. Applicant information</b>
Name

<b>B. Period of full-time research</b>
<b>NOTE:</b> Retroactive funding is not available. Funding is competitive and will be awarded based on the number of applications and funds available.
Duration of Research Period is a minimum of 4 weeks and a maximum of 12 weeks. As with all applications, students are required to confirm their schedule prior to disbursement of funds and to submit a required progress report to receive further funding.
<b>Funding Cycle Requested (select one)</b>
<input type="checkbox"/> Fall 2023 (Research Sep 1, 2023 – Nov 30, 2023) - Application due: August 4, 2023
<input type="checkbox"/> Winter 2023-24 (Research Dec 1, 2023- Feb 28, 2024) - Application due: November 3, 2023
<input type="checkbox"/> Spring 2024 (Research March 1, 2024-May 31, 2024) - Application due: February 2, 2024
<input type="checkbox"/> Summer 2024 (Research June 1, 2024-August 31, 2024) - Application due: May 3, 2024

<b>C. Faculty signatures needed</b>	
<b>NOTE:</b> Faculty sponsor signature indicates that the student will perform full-time research, 40 hours per week, during normal work hours, during the time period indicated in “B” above. Faculty sponsor signature also indicates that the faculty member approves of the description of project given and will provide the necessary space, facilities, and support for the work. Please review the faculty sponsor guidelines and responsibilities here: <a href="https://medicine.yale.edu/md-program/research/mdthesis/responsibilities/">https://medicine.yale.edu/md-program/research/mdthesis/responsibilities/</a> .	
If the student is working with animal or human subjects, the <b>student</b> will provide to the Office of Student Research within the first month of funding the appropriate protocol numbers for the student (HIC and/or IACUC) or funding may be in jeopardy.	
Department Thesis Chair signature indicates that the project meets accepted standards of research.	
<b>Faculty Sponsor Name</b>	<b>Department Thesis Chair Name</b>
